

A word cloud where the words are arranged in a roughly circular shape. The words 'interesting' and 'countries' are the largest and most prominent, positioned at the bottom center. Above them, 'investigation' is a large word. Other words of varying sizes are scattered around, including 'political', 'everyone', 'difficult', 'level', 'found', 'increase', 'understand', 'developed', 'situation', 'economic', 'developing', 'everything', 'suggestions', 'possible', 'measures', 'polluting', 'questions', 'thanks', 'questionnaire', 'redistribution', 'world', 'complicated', 'problems', 'personal', and 'population'. The colors range from light blue to a darker blue for the largest words.
